On arrival we were greeted very nicely and Janet our hostess could not have been more friendly or helpful. The room was excellent and the facilities superb. The advice given about where to eat and drink were spot on. The breakfast was very nice and presented wonderfully. There was a nice selection of fruit and cereals also. All in all an extremely pleasant stay.

We're frequent visitors to the area and can honestly say we've never stayed in a nicer place, ever. The room was bright, spotless and immensely comfortable. The en suite bathroom had a superb shower too. We visited as a wedding anniversary jaunt and there was even a box of chocs on the bed on arrival. Janet was lovely, helpful and cooked a fantastic breakfast as well. We genuinely felt like guests rather than clients. Wonderful stuff and we'll see you next year!

### **Excellent B&B**

★★★★★ 22 Nov 2015 - Yvonne

Lovely friendly host. Spotlessly clean rooms with excellent facilities. Ex suite was excellent - double shower with good pressure and nice complimentary shampoo and shower gel products. Loved the fact that there was "proper" milk in the fridge to go with the tea and coffee facilities and not the individual UHT milk. Breakfast was well presented, lovely and hot and very tasty and served with a smile. Excellent will return.

### **Very Pleasant Stay**

My only negative thought was that we could only stay one night! Our schedule dictated otherwise. The accommodation is of a very high spec, very clean and comfortable. The location is secluded and yet you aren't far away from the centre of town. The breakfast was excellent and set us up nicely for the day. John and Janet are welcoming hosts, and nothing was too much trouble. You'll not be disappointed.
